Important:

- This tender document ('Tender') does not constitute a binding agreement or an offer or invitation by the Punjab Masstransit Authority to any party other than the qualified bidders to submit the Bids. The principle purpose of this Tender is to provide the bidders with information that shall form the basis of their proposals or bids. This Tender contains the minimum requirements and information desired by the Authority. The contents hereof may be supplemented by the Authority as it deems appropriate. Each Bidder may conduct its own investigations and analysis and check the accuracy, reliability and completeness of the information given in this Tender to its satisfaction. The Authority makes no representation or warranty and shall incur no liability under any law, rules or regulations as to the accuracy, reliability or completeness of the Tender. The Authority may, at its sole discretion but without being under any obligation to do so, update, improve or supplement the information in this Tender.
- Registered companies, Association of Persons (AOP) and Joint Ventures (JV) complying with criteria given in this document are eligible for this tender, hereafter referred to as Bidders.
- Bidders must ensure that they submit all the required documents indicated in the Bidding Documents without fail. Bids received without valid documentary evidence, supporting documents and various requirements mentioned in the Bidding Documents are liable to be rejected at the initial stage itself. It is intimated that no objection/revisions/supplement shall be entertained regarding the terms and conditions of the Bidding Document submitted by the bidder.
- The bidders are requested to access the website of Punjab Procurement Regulatory Authority (<http://www.ppra.punjab.gov.pk>) and the PMA portal (www.pma.punjab.gov.pk) for all updates on the tender such as addendums etc.

- 5.3. Upon completion of the contract period, the PMA shall re-advertise the RFP for fuel supply services.
- 5.4. Investigate, in collaboration with the Service Provider, any incident of theft of Fuel and assess the extent of quantity stolen.
- 5.5. Issue entry card/permit to the Service Provider for its staff, vehicles (staff/delivery), or any other personnel essentially required by the Service Provider for provision of fuel supply services under the terms of this RFP, within reasonable time after the initiation of such request by the Service Provider.
- 5.6. Develop trends of Diesel consumption using generator operating hours, delivered quantity and generator levels data provided by the Service Provider to evaluate discrepancies related to invoicing. Upon identification of such discrepancies established between and within Generators, the Client shall require the Service Provider to investigate and explain such discrepancies. Unexplained discrepancies or discrepancies without adequate justification, below 95% statistical confidence level shall be termed as 'Deficient Fuel'. The cost of 'Deficient Fuel' as established by the client shall be replenished by the Service Provider as a deduction from proceeding invoice. Decision of the PMA in this regard shall be final and binding on the Service Provider.

- 5.7. Be authorized to inspect decanting of fuel, condition of tank lorries, use of a Digital Testing Kit, or arrange testing of calibration of dispensing units or the flow meters in light of SOPs provided by the Service Provider as and when it so desires.
- 5.8. The Client shall hand over the existing fuel assembly to the Service Provider in working condition.

6. SCOPE OF WORK / SERVICES REQUIRED

The Punjab Masstransit Authority invites bids for supply of Diesel to MMBS Generators and rendering of allied services. The scope of this Tender covers a total of 45 Gensets. There are two Generators installed at each MMBS Station. In total, there are 21 Generators of 100 KVA each and 21 Generators of 200 KVA each with base tank of 190 liters and 340 liters respectively. Auxiliary fuel tanks of 500 liters (approximately) have also been installed at each station which serves both 100 KVA and 200 KVA Generators. One Generator of 150 KVA installed at Pumping station along the corridor with base tank of 150 liter (approximately). Two generators of 250 KVA each with base tank of 390 liters served by one Auxiliary fuel tank of 500 liters (approximately) will be installed for PMA Command & Control Centre Multan. General specifications of generators are provided as Annexure - L.

6.1. SPECIFIC REQUIREMENTS

The Service Provider shall:-

- 6.1.1. Provide fueling of diesel generators and timely evacuation from the corridor during non-operational hours as scheduled and directed by the Client.
- 6.1.2. Arrange refueling of generators in a manner that during the bus operation hours the need to refuel any or all of the generators does not arise.
- 6.1.3. Ensure security of fuel present in generators and auxiliary tanks, on 24-hour basis, 7 days per week (including public holidays), by implementing a system of theft prevention duly approved by the Client.
- 6.1.4. Guard against dispensing of impure or substandard Diesel to protect warranty rights of PMA by performing basic quality tests (Graduated Cylinder (1 L) Fuel Test, water test and flash point test) at each delivery.
- 6.1.5. Ensure accurate recording of fuel quantity supplied/decanted.
- 6.1.6. Control and monitor spillage during decanting of Diesel.
- 6.1.7. Control unauthorized access to flow meters, auxiliary tanks, fuel delivery pipes from auxiliary tank to base tank, and control valves.
- 6.1.8. Recognize and respond to security threats or breaches.

- 6.1.9. Establish, and provide the Client with Standard Operating Procedures (SOPs) for approval to re-fuel Generators and Auxiliary tanks and strictly abide by them.
- 6.1.10. Maintain on-site as well as off-site record (e.g. log book) of all re-fueling activity. (Generator readings, quantity delivered at each supply, flow meter and graduated material dip rod readings etc.)
- 6.1.11. Make available two Tank Lorries of sufficient storage capacity to smoothly undertake and perform the scope of work. The tank Lorries must be in good working condition and be equipped with sealed digital dispensing units and a power supply/source (e.g. generator) to effectively carry out the decanting process including providing power to the flow-meter installed and owned by PMA with the Auxiliary fuel tank of the generator. The Service Provider shall be responsible for the prompt removal of vehicles broken down inside the MMBS corridor.
- 6.1.12. Supply, install, test, commission (within 60 days of the award of contract), operate & maintain and replace immediately when its condition so warrants, high quality, digital, branded, sealed, flow-meter on Auxiliary fuel tank available with each generator.
- a. Power Supply 12 or 24 VDC
 - b. Count Scope 1- 9999.99 Liters
 - c. Flow Range 05-90 Liters/Min
 - d. Range of Operation Temperature 0-50 C
 - e. Backlit liquid crystal display (LCD) of digital meter
 - f. Paint Powder coating
 - g. Fuel Intake socket of flow meter, designed such that fuel nozzle of dispensing unit should fit into the socket properly and there should be no leakage during fueling.
 - h. Counter Reset button
 - i. Water proofing
 - j. Lid/lock to secure the display unit and interface of the flow meter.
 - k. To avoid from unauthorized access the flow meter should be encapsulated in steel casing with locking arrangement. The arrangement should be such that it can be opened and closed for inlet of flow meter during fueling. Furthermore, the size of steel casing should be greater than flow meter, so that flow meter can easily be dismantled and installed again if required for maintenance/ replace / repair / restore.
 - l. A system to measure fuel level in auxiliary tank by graduated dip rod.
 - m. A backup battery in the meter to ensure safety of filling data if there is any power disconnection/failure during the fuel filling process.
 - n. Online connectivity to send filling data

The flow-meters shall be used to monitor the quantity decanted into the Auxiliary tank at each delivery; therefore, the flow-meters must be of such quality/specifications that their readings, after calibration, should match those displayed by the dispensing unit attached on the delivery vehicle.

The Service Provider shall arrange a renowned third party to enable automatic sending of filling data from flow meters ((e.g. Generator/Tank ID, Quantity, Date, Time etc.) to online web portal and Mobile App through GSM/GPRS connectivity within 60 days of the award of contract. The Service Provider shall provide and maintain with customization as per Client's requirements, the web portal and Mobile App which shall be used by the Client to view data in the form of filling reports. The online report must be viewable within 08 hours after completion of each filling and must at least show flow meters readings (flow meter installed on Auxiliary Tank and Lorry) manually and jointly noted by PMA and Service Provider's team during each filling, along with auto sent data. The Service Provider shall ensure that online connectivity feature of flow meters is kept as confidential matter, not to be disclosed to any member of his or PMA's team without consent of General Manager Operations PMA. The online readings may only be used for data verification purposes.

- 6.1.13. The flow-meters owned by PMA shall be used to monitor the quantity decanted into the Auxiliary tank at each delivery; therefore, the flow-meters must be in such condition that their readings, after calibration, should match those displayed by the dispensing unit attached on the delivery vehicle. For Payment of fuel decanted, lower of the two readings shall be adopted. The requirements for calibration of flow-meters and dispensing unit are provided in coming sections.
- 6.1.14. In order to ensure accurate readings of decanted fuel quantity, the Service Provider shall ensure timely calibration of both the dispensing units installed on the delivery vehicles, and the flow-meters installed on the auxiliary fuel tanks, through a recognized agency/firm, as approved by the Client. At the minimum, the calibration shall be conducted on a quarterly basis or earlier as may be needed. The calibration reports shall be submitted to the Client within one week of the end of the quarter. Under no circumstances shall the flow-meters be removed / replaced without prior approval of the PMA.
- 6.1.15. Provide complete Operation and Maintenance of fuel supply assembly owned by PMA till base tank of Gensets in complete healthy working condition. The assembly includes flow meters, auxiliary tanks, graduated dip rods, fuel delivery pipes from auxiliary tank to base tank, control valves, locking arrangement and other allied equipment/parts. Operation and Maintenance shall also include repair/replacement/restoration of equipment/ parts without any effect to PMA ownership rights and leveling of auxiliary tanks if required.
- 6.1.16. The Service Provider shall ensure calibration of all auxiliary tanks installed on sites and provide calibration reports and Dip charts (within 30 days of the award of contract). Also provide the calibration reports of auxiliary tank after each six (06) months thereafter through a recognized agency/firm, as approved by the Client. The Service Provider shall also provide dip chart for base tank.

- 6.1.17. Develop detailed Standard Operating Procedures (SOPs) for the following, to the satisfaction of PMA, and strictly abide by them:
- a. Decanting of fuel
 - b. Lab testing of delivered fuel; at a minimum the Service Provider shall arrange lab test report, of a randomly drawn sample of fuel taken in presence of representative(s) from both PMA and the Service provider, twice a month. The Services of a company (lab) of repute and approved by PMA shall be utilized for lab tests. The specifications of Pakistan Standards Institute (PSI) for High Speed Diesel shall be treated as benchmark for quality (Annex - M).
- 6.1.18. Conduct activities including fueling, shifting from auxiliary tank to base tank, collection of readings (including but not limited to graduated dip rod readings for auxiliary and base tank, engine running hours, percentage fuel level) and submission of reports as per schedule defined by the Client. The reports shall be as per prescribed format of the Client. The number and format of the reports are subject to change as need arises, decided by the Client.
- 6.1.19. Ensure operational readiness to provide services and implement all controls (equipment, hardware, processes, mechanisms etc.) required under this RFP by the time of signing of the contract. Failure to achieve operational readiness may delay/cancel signing of the Contract , result in forfeiture of the Performance Security or imposition of liquidated damages.

6.2. **GENERAL REQUIREMENTS**

The Service Provider shall :-

- 6.2.1. Abide by all the rules and regulations laid down by the Client
- 6.2.2. Employ and engage trained and skilled staff (within 21 days of the award of contract) reasonably required to complete the duties of this contract to the satisfaction of the Client. At a minimum, the Service Provider shall hire supply chain staff, supervisors, and dedicated individuals for monitoring of fuel decanting and ensuring physical safety of the fuel inventory at each station, on a 24-hour basis, 7 days per week (including public holidays).
- 6.2.3. Provide the list of Service Provider's personnel, along with their basic information, to the Client for security clearance and issuance of permit to the MMBS Corridor. Furthermore, the Service Provider shall provide registration details of vehicles, used for delivery and otherwise essential for the execution of services, requiring access to MMBS corridor during refueling hours.
- 6.2.4. Maintain vigilant supervision over its staff at all times.

- 6.2.5. Provide and cater for any kind of transportation needs for supply of diesel and human resource. The vehicles entered into the corridor must be in good working condition. The Service Provider shall be responsible for the prompt removal of any vehicles broken down inside the MMBS corridor.
- 6.2.6. Be responsible, at all times, for the conduct of its personnel and take prompt and strict disciplinary action against any conduct not in compliance with PMA's rules, regulations and instructions issued from time to time.
- 6.2.7. Ensure presence of its authorized representative(s) at any MMBS site or PMA office at short but reasonable notice when so required by the PMA and respond to queries of PMA in a timely manner.
- 6.2.8. Be responsible for the medical and accidental insurance of its staff, payment of all dues like Social Security, EOBI. The PMA shall not accept any responsibility of the designated personnel in the event of death, injury, disability or illness that may take place while performing/executing services required under the scope of this RFP. Any compensation or expenditure towards the treatment of such injury/disability or loss of life shall be the sole responsibility of the Service Provider.
- 6.2.9. Ensure that it does not engage or continue to engage any person having a criminal record/ conviction or otherwise undesirable persons.
- 6.2.10. Agree to remove from the site, whenever required to do so by the Client, any personnel considered by the Client to be unsatisfactory or undesirable, within the limits of scope of work.
- 6.2.11. Be liable to the penalty for any loss incurred or suffered/any damage caused to movable or immovable property of the Client, on account of delayed, deficient or inadequate Services, or any actions adversely affecting warranty of the Generators, or supply of substandard fuel, or interruption in the smooth operations of Metrobus Service for reasons directly and solely attributable to the Service Provider.
- 6.2.12. Report immediately to the PMA any kind of material incident including but not limited to spillage of fuel, fuel theft, damage to MMBS property and provide photographs of the incident.
- 6.2.13. Ensure their personnel do not enter into the MMBS territory without valid entry cards/permit issued by the Client.

7. CONTRACT TYPE AND DURATION

A service level agreement for Fuel Supply services for an initial period of five (05) years, extendable up to three (03) years subject to satisfactory performance, shall be executed between the Procurer and the Service Provider. In case of extension of contract, new monthly price shall be worked out based on the following formula which shall remain valid till three

(03) years of extension.

$$\text{New Monthly Price} = \sum_{n=1}^5 [\text{Adjusted Bid Value}_{n-1} \times (1 + \text{CPI}_n)] - [\text{Bid Value} \times 0.125]$$

Where:-

CPI = General Consumer Price Index inflation on YoY basis
expressed as percentage (for e.g 5% = 0.05)

n = Contractual years from 1 to 5

CPI_n = CPI value for the nth year

Adjusted Bid Value_{n-1} = Bid Value adjusted in previous year of nth year if applicable

8. PENALTIES

In case of non-performance of the service provider for scope of work/responsibility or its obligation, fines shall be charged as provided in **Section 48**.

9. PAYMENT

The Client shall make payment for the Services provided, to the Operator, in Pak Rupees through crossed cheque. In case of JV, the cross cheque shall be in the name of JV member nominated by lead member.

9.1. The procedure for payments of Diesel Supplies to the Service Provider shall be as under:

9.1.1. The price of Diesel shall be paid on the regulated Diesel price.

9.1.2. Payment of invoice shall be made within 7 days of receipt of the invoice, duly verified by the Operations Wing of PMA. However, the invoice would be processed only if it is accompanied by reports required under clause 6.1.18.

9.1.3. All payments shall be subject to applicable tax laws, rules and regulations.

9.2. The procedure for payment of Service fee for Fuel Supply Services shall be as under:

9.2.1. The Service Provider shall submit an Invoice to the Client after completion of a month. The Invoice shall state the amount claimed and set forth in detail particulars of Services rendered during the month.

9.2.2. The Client shall issue a Certificate of Payment to the Service Provider, verifying the amount due, within ten days of receipt of this Invoice. The Client may withhold a Certificate of Payment on account of defect(s) / short coming(s) in the services provided. The Client may also make any correction or modification in a Certificate of Payment that properly be made in respect of any previous certificate.

9.2.3. The Client shall pay the amount verified in the Certificate of Payment within ten (10) days of receipt of Service Provider's acceptance on the issued Certificate of Payment. Payment shall not be made in advance.

9.2.4. Payments shall be made against satisfactory delivery of services as per terms and conditions of the contract.

10. BIDDER'S ELIGIBILITY AND BID RESPONSIVENESS

An eligible Bidder shall be one which qualifies all of the following:

- 10.1. Is a Registered Company or an Association of Persons or a Joint Venture (formed under provisions of section 12 of this RFP).
- 10.2. Is a Income tax registered firm (Applicable to all members in case of JV
- 10.3. Is accompanied by the required Tender Security as part of financial bid envelope;
- 10.4. Conforms to all terms and conditions of the Tender Document, without material deviation or reservation
- 10.5. The Tender determined as not substantially responsive shall not subsequently be made responsive by the Bidder by correction or withdrawal of the material deviation or reservation. However, the Procurer may waive off any minor non-conformity or inconsistency or informality or irregularity in the Tender; but subject to approvals of the Bid Evaluation Committee.

11. TENDER COST

The Bidder shall bear all costs / expenses associated with the preparation and submission of the Tender(s) and the PMA shall in no case be responsible / liable for those costs / expenses.

12. JOINT VENTURE (JV)

Joint ventures are eligible for this tender, as long as the joint venture complies with the following conditions:

GENERAL CONDITIONS OF CONTRACT

32. CONTRACT

The Procurer shall, after receipt of the Performance Security from the successful Bidder, send the Contract provided in the Tender Document, to the successful Bidder. Within ten (10) working days of the receipt of such Contract, the Bidder shall sign and date the Contract and return it to the procurer.

33. CONTRACT DOCUMENTS AND INFORMATION

The Service Provider shall not, without the procurer's prior written consent, make use of the Contract, or any provision thereof, or any document(s), specifications, drawing(s), pattern(s), or information furnished by or on behalf of the Procurer in connection therewith, except for purposes of performing the Contract or disclose the same to any person other than a person employed by the Service Provider in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.

34. CONTRACT LANGUAGE

The Contract and all documents relating to the Contract, exchanged between the Service Provider and the Client, shall be in English. The Service Provider shall bear all costs of translation to English and all risks of the accuracy of such translation.

35. INDEMNIFICATION

The Service Provider agrees to indemnify and hold the Procurer harmless from and against any and all third party claims of infringement of patent or trademark, demands, suits, causes of action, proceedings, judgments, damage costs, expenses and liabilities (including reasonable attorney fees and costs) for bodily injury and property damage to third parties to the extent that such claims arise from the acts or omissions of the Service Provider, its employees, officers, agents etc. or in respect of non-observance of any statutory requirements or legal dues or any nature.

36. ASSIGNMENT / SUBCONTRACT

The Service Provider will not assign or sub-contract its obligations under the Contract, in whole or in part without the prior permission and consent of the Client.

37. TERMINATION FOR DEFAULT

If the Service Provider fails or delays in performance of any of the obligations under the Contract, violates any of the provisions of the Contract, commits breach of any of the terms and conditions of the Contract, engages in any illegal activities, the Client may, at any time, without prejudice to any other right of action / remedy it may have, by written notice served on the Service Provider, indicate the nature of the default(s) and terminate the Contract, in whole or in part, without any compensation to the Service Provider; provided that the termination of the Contract shall be resorted to only if the Service Provider does not cure its failure / delay, within fifteen working days(or such longer period as the Procurer may allow in writing), after receipt of such notice. The Performance security shall be forfeited.

38. TERMINATION FOR INSOLVENCY

If the Service Provider (or lead partner in case of JV) becomes bankrupt or otherwise insolvent, the Client may, at any time, without prejudice to any other right of action / remedy it may have, by written notice served on the Service Provider, indicate the nature of the insolvency and terminate the Contract, in whole or in part, without any compensation to the Service Provider.

39. TERMINATION FOR CONVENIENCE

- 39.1. The Client may at any time terminate this contract for its convenience. In the event of termination under this clause, the Client will be obligated to pay for loss incurred by the Service Provider on account of Fixed Assets, calculated as Estimated Selling price (at the time of termination) less depreciated value (depreciation to be charged at the rate of 20% of Written Down Value), of the Fixed Assets directly procured for rendering services under this contract.
- 39.2. If the Service Provider wants to terminate the contract for convenience he shall be allowed to do so after giving three months' notice. However, in such an event, the Performance Security of the Service Provider shall stand forfeited. Partial surrender or termination will not be accepted and termination will be considered for the full contract.

40. FORCE MAJEURE

- 40.1. 'Force Majeure Event' shall mean the occurrence of any of the following events or circumstances, or any combination thereof, which are (i) beyond the reasonable control of the affected party, (ii) could not have been foreseen or prevented by the use of or by the exercise of reasonable skill and care, and (iii) have a material adverse effect upon the performance by the affected party of its obligations under the Contract including but not limited to Strikes, lock-outs or other industrial action or labor disputes involving the affected party or its respective sub-contractors, employees or agents.
- 40.2. Invasion, act of war (whether declared or undeclared), armed conflict or act of foreign enemy, blockade, civil war, rebellion, riots, insurrection or civil commotion, Sabotage, kidnapping, terrorism or credible threat of such acts. Epidemics, explosions, chemical or radioactive contamination or ionizing radiation or other radioactive contamination risks in the common form that are not covered by the Service Provider's approved insurance policies
- 40.3. Unusual or extreme adverse weather or environmental conditions or action of the elements, meteorites, aircraft or object falling from aircraft or other aerial devices, the account of pressure waves caused by aircraft or other aerial devices traveling at supersonic speed or other natural disasters.
- 40.4. Act of God. Any event or circumstances of a nature analogous to the foregoing, provided that each of the events described shall constitute a Force Majeure Event to the extent that such events or circumstances are caused by an event or circumstance that is itself a Force Majeure Event, experienced directly by the Bidder.
- 40.5. Force Majeure Events shall not include the following:
- 40.5.1. Late delivery or interruption in the delivery of Goods
 - 40.5.2. Delay in the performance of the Purchase Order by the Bidder or its subcontractor.
 - 40.5.3. Breakdown in machinery or equipment
 - 40.5.4. Normal wear and tear or random flaws in materials, machinery or equipment.

- 40.6. If, by reason of a Force Majeure Event a party is wholly or partially unable to carry out its obligations under the Contract, the affected party shall:
- 40.6.1. give the other party notice of the Force Majeure Event(s) as soon as practicable, but in no event later than the later of forty-eight (48) hours after the affected party becomes aware of the occurrence of the Force Majeure Event(s), or six (6) hours after the resumption of any means of providing notice to the other party. Unless otherwise directed by the Client in writing, the Service Provider shall continue to perform under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
 - 40.6.2. provide, wherever appropriate or when reasonably requested to do so by the other party, further information to the other party fully describing the Force Majeure Event(s) and its cause(s), and providing or updating information relating to the efforts of the affected party to avoid and/or to mitigate the effect(s) thereof; and estimates, to the extent practicable, of the time for which the affected party reasonably expects it shall be unable to carry out any of its affected obligations due to the Force Majeure Event(s).
- 40.7. The affected party shall notify to the other party of the cessation of the Force Majeure Event and of its ability to recommence performance of its obligations under this Purchase Order as soon as possible and in any event not later than seven (7) days after the cessation of the events described above.
- 40.8. The Service Provider shall not be liable for liquidated damages, forfeiture of its Performance Security, blacklisting for future tenders, termination for default, if and to the extent of his failure/delay in performance/discharge of obligations under the Contract is the result of an event of Force Majeure.

41. DISPUTE RESOLUTION

- 41.1. The Procurer and the Service Provider shall make every effort to amicably resolve, by direct informal negotiation, any disagreement or dispute arising between them under or in connection with the Contract.
- 41.2. If, after thirty working days, from the commencement of such informal negotiations, the Client and the Service Provider have been unable to amicably resolve a Contract dispute, either party may, require that the dispute be referred for resolution by arbitration under the Pakistan Arbitration Act, 1940, as amended, by one or more arbitrators selected in accordance with said Law. The place for arbitration shall be Lahore, Pakistan. The award shall be final and binding on the parties.

42. STATUTES AND REGULATIONS

- 42.1. The Contract shall be governed by and interpreted in accordance with the laws of Pakistan. The Service Provider shall, in all matters arising in the performance of the Contract, conform, in all respects, with the provisions of all Central, Provincial and Local Laws, Statutes, Regulations and By-Laws in force in Pakistan, and shall give all notices and pay all fees

required to be given or paid and shall keep the Client indemnified against all penalties and liability of any kind for breach of any of the same.

- 42.2. The Courts at Lahore shall have the exclusive territorial jurisdiction in respect of any dispute or difference of any kind arising out of or in connection with the Contract.

43. TAXES AND DUTIES

The Service Provider shall be entirely responsible for all applicable taxes, duties and other such levies imposed by the concerned local, provincial and federal authorities in Pakistan but is exclusive of Sales Tax on Services which shall be added by the Purchaser over and above the quoted amount, as applicable/required under the relevant Tax Laws, to arrive at the Contract Price. Accordingly, the Contract Price shall be subject to adjustments for change in rate of Sales Tax on Services as and when applicable

44. CONTRACT COST

All expenses in respect of the execution and registration of this Agreement shall be borne by the Service Provider and the Procurer shall in no case be responsible / liable for these costs.

45. AUTHORIZED REPRESENTATIVE

- 45.1. The Procurer or the Service Provider may, at their exclusive discretion, appoint their Authorized Representative and may, from time to time, delegate any or all of the duties/authority, vested in them, to their Authorized Representative, including but not limited to, signing on their behalf to legally bind them, and may, at any time, revoke such delegation.
- 45.2. The Authorized Representative shall only carry out such duties and exercise such authority as may be delegated to him/them, by the Procurer, or the Service Provider.
- 45.3. Any such delegation or revocation shall be in writing and shall not take effect until notified to the other parties to the Contract.
- 45.4. Any decision, instruction or approval given by the Authorized Representative, in accordance with such delegation, shall have the same effect as though it had been given by the Principal.
- 45.5. Notwithstanding above clause, any failure of the Authorized Representative to disapprove Services or Works shall not prejudice the right of the Procurer to disapprove such Services or Works and to give instructions for the rectification thereof.
- 45.6. If the Service Provider questions any decision or instruction of the Authorized Representative of the Client, the Service Provider may refer the matter to the Procurer who shall confirm, reverse or vary such decision or instruction.

46. WAIVER

Failure of either party to insist upon strict performance of the obligations of the other party, under the Contract, shall in no way be deemed or construed to affect in any way the right of that party to require such performance.

47. EXTENSIONS IN TIME FOR PERFORMANCE OF OBLIGATIONS UNDER THE CONTRACT

If the Operator encounters conditions impeding timely performance of any of the obligations, under the Contract, at any time, the Operator shall, by written notice served on the Client, promptly indicate the facts of the delay, its likely duration and its cause(s). As soon as practicable after receipt of such notice, the Client shall evaluate the situation and may, at its exclusive discretion, without prejudice to any other remedy it may have, by written order served on the Operator, extend the Operator's time for performance of its obligations under the Contract.
